

## Active Play: Walk and Stretch

A set of eight posts with adjoining stepping logs to create a traversing challenge. The longer posts are used for hand holds as the stepping logs are traversed, making this a great introductory challenge. Great for physical development and building climbing confidence, while the log posts lend themselves to imaginative play and den making too.

### Technical Details:

- Size (L x W x H): 2225mm x 700mm x 1200mm
- Critical fall height: <0.6M
- Overall size including fall space: 4225mm x 2750mm
- Minimum area required: 16.6M<sup>2</sup>
- High pressure treated 'play grade' timber
