

User Guide - Water Table

We want you to get the most out of your new playground equipment. We've compiled a few, simple notes to help proper use and maintenance of the equipment. As with all playground equipment, your own risk assessment is required as part of your school processes. Here are the key points:

- This is an educational item and must be used under teacher supervision only
- This is to be used with water! So please ensure all water is drained after each use
- Please clean weekly with a mild disinfectant spray
- When product is in use please store your lid underneath the table on the rungs provided
- Visually inspect your product, making sure no timbers are splitting and no fixings are loose and in accordance with your Pentagon Maintenance Manual

For more detailed maintenance information please refer to you Pentagon Maintenance Manual
