We want you to get the most out of your new playground equipment. We've compiled a few, simple notes to help proper use and maintenance of the equipment. As with all playground equipment, your own risk assessment is required as part of your school processes. Here are the key points:

- This is an educational item and must be used under teacher supervision only
- To keep sand clean please cover table with lid when not in use
- Please clean weekly with a mild disinfectant spray
- Visually inspect your product, making sure no timbers are splitting and no fixings are loose and in accordance with your Pentagon Maintenance Manual
