

# User Guide Bug Hotel with Individual Pods

We want you to get the most out of your new playground equipment. We've compiled a few, simple notes to help proper use and maintenance of the equipment. As with all playground equipment, your own risk assessment is required as part of your school processes. Here are the key points:

- Please empty and clean Bug Pods every few months with a mild disinfectant spray
- Please clean Bird Table weekly with a mild disinfectant spray
- Sand down any rough edges caused by weather or general use with a medium grade abrasive paper.
- Visually inspect your product, making sure no timbers are splitting and no fixings are loose and in accordance with your Pentagon Maintenance Manual

For more detailed maintenance information please refer to you Pentagon Maintenance Manual
