

Surfacing & Landscaping: Robinia Arched Bridge

Our Robinia Arched Bridge creates another level in your playground while sparking imaginative play games between children - is there a hungry troll hiding under the bridge?

It presents children with another level in your playground since it is slightly bowed and crafted out of wavy Robinia timber, creating a rustic outdoor play resource to support creative games.

The decked ramp is slip-resistant and is inclusive for all with a 1.2m wide access!
